Letter to Hermione

I'm sorry, Hermione...I'm sorry...I know I should have listened to you. Graduation, already. Without you! My best friend, gone.

>
 Hermione: I have always loved you. I was so afraid to tell you...afraid of rejection, afraid of hurt. Why did I waste all the time you had! Oh Hermione...

>
 I was so unwise compared to you. Not in just books either. You were so intellegent. So beautiful and caring. So unlike me.

>
 Hermione, I know why you died. You were too good of a person to be on this Earth. Too good for me. I will forever regret not telling you this.

>
 We're graduating without you Hermione...you would have been top of the class. You could have done great things if it hadn't been for me.

>
 Hermione, I love you, and so does everyone else. I will never forget you, and we will be friends...forever.

>
 Love,

> Harry
